COHEN, MILSTEIN, HAUSFELD & TOLL, P.L.L.C. FIRM RESUME

For decades, Cohen, Milstein, Hausfeld & Toll, P.L.L.C. has represented individuals, small businesses, institutional investors, and employees in many of the major class action cases litigated in the United States for violations of the antitrust, securities, environmental, consumer protection, civil rights/discrimination, ERISA and human rights laws. The Firm is also at the forefront of numerous innovative legal actions that are expanding the quality and availability of legal recourse for aggrieved individuals and businesses both domestic and international. Over its history, Cohen Milstein has obtained many landmark judgments and settlements for individuals and businesses in the United States and abroad.

The firm's most significant past cases include:

- In re Vitamins Antitrust Litigation, MDL No. 1285 (D.D.C.). Cohen Milstein served as co-lead counsel for two certified classes of businesses that directly purchased bulk vitamins and were overcharged as a result of a ten year global price-fixing and market allocation conspiracy. Chief Judge Hogan approved four major settlements between certain vitamin defendants and Class Plaintiffs, including a landmark partial settlement of \$1.1 billion. In a later trial before Chief Judge Hogan concerning four Class Plaintiffs' remaining unsettled Vitamin B4 (choline chloride) claims, a federal jury in Washington unanimously found Japan's second largest trading company, Mitsui & Co., Ltd., its wholly-owned U.S. subsidiary Mitsui & Co. (U.S.A.), Inc., DuCoa, LP, a choline chloride manufacturer based in Highland, Illinois, and DuCoa's general partner, DCV, Inc. liable for participating in the conspiracy and ordered them to pay \$49,539,234, which is trebled to \$148,617,702 under the federal antitrust laws. The case was subsequently settled against those defendants.

- Dukes v. Wal-Mart Stores, Inc., No. C-01-2252 (N.D. Cal.). Cohen Milstein is one of the co-lead counsel in this discrimination case. In June 2004, U.S. District Court Judge Martin Jenkins ruled that six current and former Wal-Mart employees from California may represent all female employees of Wal-Mart who worked at its U.S. stores anytime after December 26, 1998 in a nationwide sex discrimination class action lawsuit (appeal pending). As the largest civil rights class action ever certified against a private employer, the Judge described the case as "historic in nature, dwarfing other employment discrimination cases that came before it." The action charges that Wal-Mart discriminates against its female retail employees in pay and promotions. The class in this case includes more than 1.5 million current and former female employees of Wal-Mart retail stores in America, including Wal-Mart discount stores, super centers, neighborhood stores, and Sam's Clubs.

- In re Lucent Technologies Securities Litigation, Civ. Action No. 00-621 (JAP) (D.N.J.). A settlement in this massive securities fraud class action was reached in late March 2003. The class portion of the settlement amounts to over \$500 million in cash, stock and warrants and ranks as the second largest securities class action settlement ever completed. Cohen Milstein represented one of the co-lead plaintiffs in this action, a private mutual fund.

- Nate Pease, et al. v. Jasper Wyman & Son, Inc., et al., Civil Action No. 00-015 (Knox County Superior Court, Me.). In 2004, a state court jury from Maine found three blueberry processing companies liable for participating in a four-year price-fixing and non-solicitation conspiracy that artificially lowered the prices defendants paid to approximately 800 growers for wild blueberries. The jury ordered defendants Cherryfield Foods, Inc., Jasper Wyman & Son, Inc., and Allen's Blueberry Freezer, Inc. to pay \$18.68 million in damages, the amount which the growers would have been paid absent the defendants' conspiracy. After a mandatory trebling of this damage figure under Maine antitrust law, the total amount of the verdict for the plaintiffs is just over \$56 million. The Firm served as co-lead counsel.

- In re StarLink Corn Products, Liability Litigation, MDL No. 1403. (N.D. Ill.). Cohen Milstein successfully represented U.S. corn farmers in a national class action against Aventis CropScience USA Holding and Garst Seed Company, the manufacturer and primary distributor of StarLink corn seeds. StarLink is a genetically modified corn variety that the United States government permitted for sale as animal feed and for industrial purposes, but never approved for human consumption. However, StarLink was found in corn products sold in grocery stores across the country and was traced to widespread contamination of the U.S. commodity corn supply. The Firm, as co-lead counsel, achieved a final settlement providing more than \$110 million for U.S. corn farmers, which was approved by a federal district court in April 2003. This settlement was the first successful resolution of tort claims brought by farmers against the manufacturers of genetically modified seeds.

- In re Diet Drug Litigation (Fen-Phen), MDL No. 1203 (E.D. Pa.). As a member of the Plaintiffs' Management Committee and Sub-Class Counsel, Cohen Milstein played a major part in the success of the Fen-Phen diet drug litigation and settlement (*In re: Diet Drugs (Phentermine, Fenfluramine, Dexfenfluramine) Products Liability Litigation*, MDL 1203). CMHT and other plaintiffs' counsel achieved the largest settlement ever obtained in a mass tort case - \$3.75 billion - on behalf of millions of U.S. consumers who used Pondimin (fenfluramine) or Redux (dexfenfluramine), either alone or in combination with phentermine, diet drugs that are associated with heart valve damage.

- Snyder v. Nationwide Mutual Insurance Company, No. 97/0633 (Sup. Ct. N.Y. Onondaga Cty.). Cohen Milstein served as one of plaintiffs' principal counsel in this case on behalf of persons who held life insurance policies issued by Nationwide through its captive agency force. The action alleged consumer fraud and misrepresentations. Plaintiffs obtained a settlement valued at more than \$85 million. The judge praised the efforts of Cohen Milstein and its co-counsel for having done "a very, very good job for all the people." He complimented "not only the manner" in

which the result was arrived at, but also the “time ... in which it was done.”

- Oncology & Radiation Associates, P.A. v. Bristol Myers Squibb Co., et al., No. 1:01CV02313 (D.D.C.). Cohen Milstein has been co-lead counsel in this case since its inception in 2001. Plaintiffs alleged that Bristol-Myers Squibb unlawfully monopolized the United States market for paclitaxel, a cancer drug discovered and developed by the United States government, which Bristol sells under the brand name Taxol. Bristol's scheme included a conspiracy with American BioScience, Inc., a generic manufacturer, to block generic competition. Cohen, Milstein's investigation and prosecution of this litigation on behalf of direct purchasers of Taxol led to a settlement of \$65,815,000 that was finally approved by U.S. District Judge Emmet G. Sullivan on August 14, 2003 and preceded numerous Taxol-related litigations brought by the Federal Trade Commission and State Attorneys General offices.

- Kruman v. Christie's International PLC, et al., Docket No. 01-7309. A \$40 million settlement on behalf of all persons who bought or sold items through Christie's or Sotheby's auction houses in non-internet actions was approved in this action. Cohen Milstein served as one of three leading counsel on behalf of foreign plaintiffs. The Court noted that approval of the settlement was particularly appropriate, given the significant obstacles that faced plaintiffs and plaintiffs' counsel in the litigation. The settlement marked the first time that claims on behalf of foreign plaintiffs under U.S. antitrust laws have been resolved in a U.S. court, a milestone in U.S. antitrust jurisprudence.

- In re Infant Formula Consumer Antitrust Litigation (multiple state courts). Cohen Milstein instituted price-fixing cases on behalf of indirect-purchasers in 17 states under state antitrust laws against three companies who conspired to drive up the price of infant formula. The cases resulted in settlements of \$64 million for purchasers of infant formula.

- Domestic Air Transportation Antitrust Litigation (N.D. Ga.) Plaintiffs alleged a conspiracy among major airlines to set prices. In one of the largest consumer class actions ever brought to a successful conclusion, Cohen Milstein was one of the lead counsel and obtained a settlement of travel discounts and cash totaling \$458 million for the class of individuals and businesses.

- In re The Exxon Valdez Litigation, No. A89-095 Civ. (D. Ak.). The firm was selected from dozens of law firms around the country by federal and state judges in Alaska to serve as co-lead counsel for plaintiffs in the largest environmental case in United States history that resulted in a jury verdict of more than \$5 billion (reversed and remanded for revised punitive damages award; further proceedings pending).

- Holocaust Litigation. In the historic Swiss Banks litigation, CMHT served, *pro bono*, as co-lead counsel for Holocaust survivors against the Swiss banks that collaborated with the Nazi regime during World War II by laundering stolen funds, jewelry and art treasures. Cohen Milstein obtained a \$1.25 billion settlement, leading the presiding judge to call the firm's work “indispensable.” *See In re*

Holocaust Victim Assets Litig., Case No. CV 96-4849 (ERK) (MDG) (Memorandum of Chief Judge Korman dated July 26, 2002). The Firm was also a lead counsel in litigation by survivors of World War II-era forced and slave labor in litigation against the German companies that profited from using the labor of concentration camp inmates. This litigation, which resulted in an unprecedented settlement of \$5.2 billion, was resolved by multinational negotiations involving the defendants, plaintiffs' counsel, and the governments of several countries for approximately two million claimants.

Cohen Milstein has contributed over 37,000 hours of time to human rights and *pro bono* cases since 1996. As an example, the Firm represented eight survivors and/or families of the victims of the September 11, 2001 attack on the Pentagon before the Federal compensation fund. Cohen Milstein has obtained a substantial recovery for each, including the highest recovery to date, \$6.8 million, for an injured individual.

- Roberts v. Texaco, Inc., 94-Civ. 2015 (S.D.N.Y.). Cohen Milstein represented a class of African-American employees in this landmark litigation that resulted in the then-largest race discrimination settlement in history (\$176 million in cash, salary increases and equitable relief). The Court hailed the work of class counsel for, *inter alia*, "framing an imaginative settlement, that may well have important ameliorative impact not only at Texaco but in the corporate context as a whole ...".
- Conanan v. Tanoue, No. 00-CV-3091 (ESH). Cohen Milstein represented African-American employees at the Federal Deposit Insurance Corporation (FDIC) in this race discrimination suit, which settled for \$14 million. The settlement provides the largest payment made in an employment discrimination class action based on race against a federal agency.
- Trotter v. Perdue Farms, Inc., Case No. 99-893 (RRM) (JJF) (MPT), D. Del. This suit on behalf of hourly workers at Perdue's chicken processing facilities -- which employ approximately 15,000 people -- forced Perdue to pay employees for time spent "donning and doffing," that is, obtaining, putting on, sanitizing and removing protective equipment that they must use both for their own safety and to comply with USDA regulations for the safety of the food supply. The suit alleged that Perdue's practice of not counting donning and doffing time as hours worked violated the Fair Labor Standards Act and state law. In a separate settlement with the Department of Labor, Perdue agreed to change its pay practices. In addition, Perdue is required to issue retroactive credit under one of its retirement plans for "donning and doffing" work if the credit would improve employees' or former employees' eligibility for pension benefits. CMHT was co-lead counsel.

In addition, Cohen Milstein is an innovator in new areas of the law. The Firm was in the forefront of filing antitrust claims on behalf of indirect purchasers in 1993 and 1994, when it filed state-court actions in 18 states on behalf of indirect purchasers of infant

formula. This was the first effort to systematically and simultaneously pursue treble damages claims on behalf of indirect-purchasing consumers in all states where antitrust laws permitted such claims. This approach, and variations of it, have since become the accepted model for pursuing antitrust damages on behalf of indirect-purchasing consumers. The Firm also has been in the forefront of the development of international antitrust theory and litigation of claims. As the global economy has produced worldwide conglomerates, so, too, has the nature of antitrust violations changed. For example, in *Kruman v. Christie's International PLC, et al.* Docket No. 01-7309 and *In re Bulk Vitamins Antitrust Litigation*, MDL 1285 (D.D.C.), both the parties and the anticompetitive actions were played out on a world, rather than domestic, stage. The firm also represents and won Lead Plaintiff status for domestic and foreign investors in a foreign company's bonds, in a PSLRA litigation being pursued in the United States, *In re Parmalat Securities Litigation*, Master Docket 04 Civ 0030 (LAK) (S.D.N.Y.). The Firm has affiliated offices around the world, in the United Kingdom, Italy, South Africa, Panama and Australia.

Cohen, Milstein, Hausfeld & Toll, P.L.L.C. was established in March 1986 and is based in Washington, D.C. with offices in New York, Philadelphia, Chicago and London. From 1969 until 1986, the Firm was the Washington, D.C. office of the Philadelphia law firm currently known as Kohn, Swift & Graf, P.C..

Selected Attorney Profiles

Michael D. Hausfeld

Michael Hausfeld, one of the country's top civil litigators, joined the Firm in 1971. He is the head of the Antitrust and International practice groups.

Mr. Hausfeld's career has included some of the largest and most successful class actions in the fields of human rights, discrimination and antitrust law. He long has had an abiding interest in social reform cases, and was among the first lawyers in the U.S. to assert that sexual harassment was a form of discrimination prohibited by Title VII; he successfully tried the first case establishing that principle. He represented Native Alaskans whose lives were affected by the 1989 Exxon Valdez oil spill; later, he negotiated a then-historic \$176 million settlement from Texaco, Inc. in a racial-bias discrimination case.

In *Friedman v. Union Bank of Switzerland*, Mr. Hausfeld represented a class of victims of the Holocaust whose assets were wrongfully retained by private Swiss banks during and after World War II. The case raised novel issues of international banking law and international human rights law. He successfully represented the Republic of Poland, the Czech Republic, the Republic of Belarus, the Republic of Ukraine and the Russian Federation on issues of slave and forced labor for both Jewish and non-Jewish victims of Nazi persecution during World War II. He currently represents Jubilee 2000, Khulumani, and other NGOs in litigation involving abuses under apartheid law in South Africa, and is pursuing a RICO litigation against the tobacco industry with regard to the sale of and representations on "light" cigarettes.

Mr. Hausfeld has a long record of successful litigation in the antitrust field, on behalf of both individuals and classes, in cases involving monopolization, tie-ins, exclusive dealings and price fixing. He is or has been co-lead counsel in antitrust cases against manufacturers of genetically engineered foods, managed healthcare companies, bulk vitamin manufacturers, technology companies and international industrial cartels. He is actively involved in ongoing investigations into antitrust cases abroad, and was the only private lawyer permitted to attend and represent the interests of consumers worldwide in the 2003 closed hearings by the EU

Commission in the Microsoft case.

Chief Judge Edward Korman (E.D.N.Y.), has noted that Mr. Hausfeld is one of the two “leading class action lawyers in the United States.” He has been profiled in, and recognized by, many articles and surveys. Most recently, a *Forbes* magazine article reported on Mr. Hausfeld’s work to establish an international alliance for the protection of consumers and investors worldwide. He was named one of thirty master negotiators in *Done Deal: Insights from Interviews with the World’s Best Negotiators*, by Michael Benoliel, Ed.D. *The Wall Street Journal* profiled him and his practice, and he has been recognized by *The National Law Journal* as one of the “Top 100 Influential Lawyers in America.” He has been described by one of the country’s leading civil rights columnists as an “extremely penetrating lawyer”, and by a colleague (in a *Washington Post* article) as a lawyer who “has a very inventive mind when it comes to litigation. He thinks of things most lawyers don’t because they have originality pounded out of them in law school.” *The New York Times* referred to Mr. Hausfeld as one of the nation’s “most prominent antitrust lawyers,” and *Washingtonian Magazine* has listed Mr. Hausfeld in several surveys as one of Washington’s 75 best lawyers, saying he “consistently brings in the biggest judgments in the history of law” and that he is “a Washington lawyer determined to change the world -- and succeeding.”

His most recent awards include the 2002 B’Nai Brith Humanitarian of the Year award; the Simon Wiesenthal Center Award for Distinguished Service; and the U.S. Department of Energy’s Human Spirit Award, presented “in tribute to a person who understands the obligation to seek truth and act on it is not the burden of some, but of all; it is universal.”

He is a frequent speaker on antitrust, human rights and international law, most recently participating in a panel discussion at the Spring Meeting of the ABA Section of Antitrust Law entitled “International Antitrust: Developments After Empagran and Intel” and at the School of Oriental and African Studies (SOAS) Annual Meeting in London entitled “Human Rights in An Integrated World: The Apartheid Reparations Litigation in the USA.” He taught Masters Degree courses at Georgetown University Law Center from 1980 to 1987, and was an Adjunct Professor at the George Washington University Law School from 1996 to 1998 and now sits on its Board of Directors.

Mr. Hausfeld is a graduate of Brooklyn College, receiving a B.A. in Political Science with a minor in Russian History (*cum laude*, 1966) and the National Law Center, George Washington University (J.D., *with honors*, 1969). He was a member of the Order of the Coif and the Board of Editors for the George Washington Law Review (1968-69).

Mr. Small also briefed and argued the appeal in *Mack v. Bristol-Myers Squibb* (Fla. 1st DCA 1996), the first opinion construing the Florida Deceptive and Unfair Trade Practices Act to permit indirect purchasers to sue for damages for antitrust violations.
